Note from Marly: I would like to thank my long time friend and favorite crochet designer. Robyn Chachula, for her contribution to the Chic Sheep by Marly Bird™ collection. I was an instant fan of her work and admire her ability to match up style and fashion with crochet. When people tell me "crochet sweaters are frumpy" I always direct them to Robyn's patterns to prove them wrong. Having her design something with my own yarn line is a dream come true. Her Bohemian Chic Color Vest is a great representation of her aesthetic and ability to pair up color and crochet stitches for the perfect balance.
