# Little Waves Shawl

This stunning shawl adds an elegant touch to any outfit, casual or formal. The yarn is self-stripping, so all you have to do is pay attention to the pretty stitch pattern.

**Shawl measures 52" (132 cm) across  
widest point x 28" (71 cm) at longest  
center point.**

**Notes:** The hourglass pattern is created by adding multiple yarn overs on one row and dropping all of those yarn overs on the next row, knitting only the original stitches. Do not count your stitches on any odd-numbered row that is adding yarn overs because it will not give you an accurate number. Always count your stitches on an even-numbered row after yarn overs have been dropped.
