NOTES

- Hat is worked in rounds, beginning at the lower edge.
- Slip marker as you come to it.
- Work begins on circular needle. When stitches no longer fit comfortably on circular needle, change to double pointed needles.
- To work Garter Stitch, * knit 1 round, purl one round; repeat from * for desired amount of rounds.
- At the end of round 2 of Texture Pattern, yo needs to be worked slightly differently because it's being worked between a knit stitch (the last k2tog from round 2) and a purl stitch (the first purl stitch on round 3). Bring the yarn from the back to the front between the needles and wrap it around the right-hand needle, then bring it back to the front between the two needles to make the purl stitch.
