BASIC STITCH ANTI PILLING™

100% ACRYLIC / ACRYLIQUE

Lion Brand® created Basic Stitch Anti-Pilling™ for all your favourite projects that see a lot of wear and tear. Even before it is spun into a premium 4-ply acrylic, the fiber is treated to resist pilling. And, when pills do form (due to frequent use and washing), no need to pick them off - just throw the item in the washer and the pills disappear.

Lion Brand® a créé Basic Stitch Anti-Pilling™ pour tous vos projets favoris qui voient beaucoup d'usure. Avant même d'être filé en 4 brins d'acrylique de qualité, la fibre est traitée pour résister au boulochage. Et, lorsque le boulochage se produit (en raison de frottements et de lavages fréquents), il n'est pas nécessaire de les ramasser - mettez l'article dans la laveuse et les bouloches disparaissent.

100% ACRYLIC / ACRYLIQUE

Each colour in Mandala® Ombre gradually blends into the other in both tonal and multi-coloured versions. The printing technique allows for some of the cream yarn base to show through, creating a hand-dyed, artisanal effect. Mandala® Ombre is slightly thicker than the original, spun with multiple plies of premium acrylic, which give it the look and feel of merino at a fraction of the cost.

Chaque couleur de Mandala® Ombre se mélange graduellement à l'autre dans des versions ton sur ton ou multicolores. La technique de l'imprimé permet à une partie de la base du fil crème de transparaître, en créant un effet artisanal de teint à la main. Mandala® Ombre est légèrement plus épais que l'original, filé avec plusieurs brins d'acrylique de qualité, qui donne le look et la sensation du mérinos à une fraction du prix.
